COMPANY PROFILE

With more than thirty years of experience & expertise in the hospitality industry, **Navkaar Caterers** was founded by **Narendra Shah**, a partner in **Samrat, Relish, Status & Spesso**, with a vision to cater to all kinds of functions with excellence. Associated with these well established restaurants located at Churchgate & Nariman Point respectively, we bring authenticity & excellence in food & service.

We've carved for ourselves a special place in the market for providing **pure vegetarian** catering services in Mumbai. We provide exclusive services that are professional & yet extremely personalised to accommodate your every need with style.

We have a separate team of cuisine consultants, catering managers, chefs & service personnel present in all caterings, making sure each & everything is meticulously checked especially; the taste & presentation.

We have an unblemished track record of delivering catering services in Mumbai for the full spectrum of events, from private parties to corporate hospitality, from uniquely themed occasions to big fat weddings.

We at Navkaar, make sure that the quintessence of every cuisine is maintained & that the flavour of your event lingers on long after the celebrations. Be it simple or elaborate, an intimate affair, a grand scale or an exotic destination wedding, from inspiration to last minute details, we ensure that we deliver perfection & quality.

Apart from specialising in **Jain food**, North Indian & Gujrati savouries, we maintain absolute authenticity in every Indian cuisine. We are also known to serve a wide variety of cuisines from around the world. Some of our signature dishes are from Italy, Spain, Latin America, Africa, China, Thailand & Sri Lanka.

We make sure that our clients are always happy and hence strive for their smile and appreciation. These are some of our esteemed clients;
